Subj: Proposed Department Bylaws Amendment to add Section 133

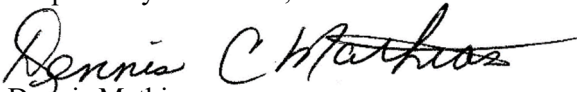

In accordance with the Bylaws and Administrative Procedures, Article Eight, Section 800, the following is submitted for consideration by the body assembled at the 2022 North Carolina Department Convention.

CHANGE RATIONALE:

If no one accepts nominations for an elected Department position and the current office holder is willing to accept the nomination for another term, there is no provision to allow that to occur. This proposed additional section will make that allowance.

SECTION 133 – TERM-LIMIT WAIVER – In the event no member accepts the nomination to serve in any of the Department’s term-limited, elected officer positions, the delegates at the Department Convention may authorize by majority vote, a waiver to the outgoing officer for one additional term of service. A motion for such a waiver will be made by the presiding nominating officer, seconded by a delegate, and voted on by the delegates present. After the approval of the waiver, the nominating officer will follow the nominating process identified in Section 120. This waiver is for one term but may be waived again at the following Department Convention.

Respectfully Submitted,

Dennis Mathias
