

The Detachments of the Central District, like most all other Detachments has had to adapt to the Covid restrictions that are in place. However, each Detachment except one has been able to go about most regular activities with caution in mind. Each Detachment was able to complete their Toys 4 Tots drive with huge success and made a huge impact in their respective community. Four of my five Detachments have been able to hold most monthly meetings under proper guidelines. Membership in each of the five Detachments has been holding steady with a few of them adding new members. Overall, I am very proud and pleased with each Detachments leadership and ability to move forward under the circumstances that we face today.

I can say very emphatically that all Detachments are looking forward to returning to more normal activities and growth.
