**Resolution 2021-001**

**A Resolution in Support of House Bill DRH30049-LGa-25 (aka H.B. 60)**

Be it known that the Department of North Carolina Marine Corps League does hereby approve and support the affirmation of House Bill 60 for the appropriation of funds for the Carolina Museum of the Marine and Civic Institute to be constructed in Onslow County, N.C.

Whereas, North Carolina has a rich heritage in it's support of the Marine Corps and the principals by which it exists throughout history. This history must be perpetuated through the completion of Phase II of the Carolina Museum of the Marine and Civic Institute.

Whereas, the Museum will honor the legacy of Marines of all races, creeds and religions, Fleet Marine Force Sailors who served with Marines as Chaplains or Medics and those currently serving our Nation.

Whereas, the Museum will serve the public good as a venue for public and private events as well as a venue for military retirement ceremonies, promotions, and Marine Corps Balls.

Therefore, be it resolved that the undersigned Officers of the Department of North Carolina Marine Corps League do hereby support and endorse H.B. 60
