COMMANDANT'S COMMENTS

Hope this edition finds everyone well and in good spirits.

The time for banging the drum for our annual fundraising Golf Tournament is fast approaching and I applaud our efforts thus far. The sponsor's acquired already are adding up fast. Thanks for the participation so far but a lot more is needed to reach our objective. The Scholarship Committee has advised me that eight applications have been received for this year and are being evaluated. The participation is super wonderful and additional funds may be required to reach our goals. This topic will be discussed at the next stated meeting on 30 July, 2018.

Many of the incidentals for the tournament have been acquired already and I'm impressed with the help received thus far. When the team concept is employed it is bound to be successful.

I would like for the Detachment to keep Larry and Phyllis Shoe in your thoughts and prayers as they traverse through very tough times. Special Prayers Ordered.

I would like to congratulate Randall Epps on receiving the Long Leaf Pine award during Troyfest. We now have two Marines in our Detachment that have received this prestigious award. The other is none other than Larry Shoe. Fine job Marines.

With all the controversy in the world, with all the criticism displayed in the media on pretty much everything, my thoughts have brought me to a revelation that constructive criticism is non-existent. You can be the solution or the problem, everyone has a choice, so choose

wisely.

Most people believe that it would benefit them if they could get a little from those who have more, how much more would it benefit them if they would learn a little from those who know more.

FYI: Remember "Colors Fade, Temples Crumble, Empires Fall but WISE WORDS ENDURE hopefully forever.
