# COMMANDANT'S COMMENTS

James Cox

We had an extremely busy May with four Eagle Scout COH's where we presented 11 Good Citizenship Awards. We had our Memorial Day event that had a lot of detachment members present. Thanks to all who helped with the setup and tear down. We had an awesome luncheon afterward with 39 in attendance. It was great to be back at Tobacco Road. Special thanks to James Lewis for the media coverage which was the best that we have had. Major General Richwine's speech was well received and has been sent out to everyone in the detachment. The line to speak with him afterwards and the request for his speech was incredible.

We started off the month of June by hosting the NC Department annual convention which was attended by approximately 150 Marines, Associates, spouses and by three Montford Point Marines. The Montford Point Marines enjoyed themselves and were delighted to be recognized and honored for their place in USMC history. Each Montford Point Marine was presented with an Honorary membership in the Marine Corps League. A special thanks to everyone that volunteered their time and efforts. The convention would not have been a success without your participation. Now we have to wash, rinse and repeat for the Mideast Conference to be held on June 23 – 24.

Now we move on to planning for our trip to Camp Lejeune for the 10 year anniversary of the Wounded Warrior Battalion East. If you would like to attend please let myself or John Dilday know. We would like to car pool if possible.
We have the following events coming up in the future and are in need of detachment members stepping up and volunteering to take the reins. We have the Veterans Day parade which will held on November 11th which is the next day after our Marine Corps Ball celebration.

"Do you think there is forgiveness for the things I've done?" This was the question that a close friend of mine had asked me one day. He knew I was a man of Faith and had recently started thinking about his own eternity. I quickly replied "No, I do not think there is forgiveness for you. I know there is." The thing is, I intentionally left out his back ground or the things that he was seeking redemption for. It does not really matter. He had faithfully served his country as a member of a Special Operations team for many years. In doing his duty, he felt that he did what needed to be done. Over the course of his service he had to do many things that he was uneasy about later in life. In many talks with him, he finally came to understand that he was forgiven the moment he asked to be cleansed. Being a warrior is not inherently evil. We lay our own lives on the line so that those we love are safe and protected at home. The nightmares we see and the internal scars that we carry are the price we pay. The book of John tells us that "Greater love hath no man than this, that a man lay down his life for his friends." We can all be absolved of our sins and cleansed of their mark if we truly believe in our hearts and are repentant for them. The only thing left for my friend to do was to forgive himself. That is the hardest part for any of us to do. It is only natural to feel this responsibility to atone for what we have done wrong in our lives. That is what most of us consider as our conscience. We carry around the things we feel remorseful for long after we have been forgiven. It is a heavy weight that drags us down and makes us doubt ourselves. We spend so much energy looking for redemption and time dwelling on the things from our past. In reality, all we had to do was to lay down that heavy burden and put it behind us. I know that is easier said than done however, it is what we must do. I implore you to look deep inside of your own hearts and forgive yourselves for whatever it is that you have been carrying around. If you have sought forgiveness for the trespasses you have committed, then you have been forgiven.

My friend I mentioned earlier has gone on to find a great career, a loving wife, and happiness. More importantly he has found a strong relationship with his creator and the redemption that he needed to lay down that heavy burden he was carrying around with him. He is living proof that forgiveness is more than just a word and there is power in granting it as much as there is in receiving it.

Let us pray:

"Supreme Commandant, we give thanks for your blessings of Grace and Forgiveness. We ask that you make us whole again and cleanse each of us of the wrongs we have done. We pray that you will assist us in forgiving ourselves as well as those who have trespassed against us. We ask that you grant peace to those who are still struggling to find redemption in their own lives and light their path to live in your way. These things we pray to you together. Amen."

## Sr. Vice Commandant's Message
## Bruce Goeden

***Hello to All Marines And Navy Corpsman of The Tar Heel Detachment!***

**Here We are and can You Believe it! It is June Already!**

By the time you read this, the Marine Corps Leagues State of North Carolina Convention will have taken place on June 2nd and 3rd. We will have paid honor and tribute to the 20,000 black men who entered the military service starting on June 11,1942 . Men who between 1942 and 1949 graduated from Montford Point, Camp Jejune, North Carolina. These men paved the way for those that followed them.

By all accounts their training was done under very diverse and racially biased conditions. Regardless of their training conditions, they moved forward and became **United States Marines**. In September 1949 Montford Marine Camp as it was called, was deactivated, ending 7 years of segregation. ***On April 19, 1974 Montford Point was renamed Camp Johnson in honor of the late Black Sergeant Major , Gilbert H. "Hashmark" Johnson.*** It remains the only Marine Corps installation named in honor of an African American.
***Montfort Point Marines, We Salute you for Your Service! OooohRa!***

On June 23rd and 24th we will host the MCL Mid East Division Convention. We will have Marines coming from Delaware, Maryland, North Carolina, Virginia, Washington DC, and West Virginia. DC, and maybe London England.

With the same teams in place from the State Convention, I look for another Great Tar Heel Detachment Success story.

I want to take a moment and thank Our Commandant James Cox and Our Past Commandant John Dilday for getting the location for the Conventions.

I want to Thank the following: Phil Hemming,( Registration ), Ed Gleason, ( Raffles and Giveaways ), and John Dilday, ( Hospitality Room ). These men stepped forward and took over as Chairmen of these Billets. Also a shout out to Gayle Dilday and the other wives for the terrific hosting of the hospitality room! With their help and their teams. I look for Great Success with these 2 Conventions. Oh Yes and John Staley for a Golf 4 some , Harry Schweitzer for a shoot 4 people and Suellen Beaulieu for the Convention AD Books.

Starting next month you will be receiving forms via E mail to take to local eateries as we did in the past with The Corner Tavern and The City BBQ. I just received word that BJ's Restaurant & Brewery, Cary NC will give us 20% of all sales. Plus the Marketing manager is a US Marine soon to join the ranks of our Detachment and the Marine Corps League.

## Jr. Vice Commandant's Comments
## Randal Rempfer

OooRah to all Devil Dogs far and wide. This is the month in your history where the legend was born. The legend of the Teufel Hunden – Devil Dogs. That being said, we are in the middle of another campaign for the Tar Hell Detachment, in its quest to host both the DoNC Convention and the Mideast Convention. As we had mentioned in the meeting this week, the Department Convention did well, but now the test is laid before us to make the final push and effort to complete the double-header and put forth that same effort to host a great convention for our fellow Marines from the 5 state area.
**JUNE** ***10 June 1898:*** The First Marine Battalion, commanded by LtCol Robert W. Huntington, landed on the eastern side of Guantanamo Bay, Cuba. The next day, Lt Herbert L. Draper hoisted the American flag on a flag pole at Camp McCalla where it flew during the next eleven days. LtCol Huntington later sent the flag with an accompanying letter to Colonel Commandant Charles Heywood noting that "when bullets were flying, ...the sight of the flag upon the midnight sky has thrilled our hearts."
***2 June 1918:*** At dawn on this date, the crack German 28th Division attacked along the axis of the Paris-Metz road hitting the American 2d Division, including the 4th Marine Brigade. The Marines opened with deadly rifle fire and helped hand the German troops a setback which set the stage for Marine victory at Belleau Wood which would soon follow, although at great cost.
***26 June 1918:*** BGen James G. Harbord, the Commanding General of the 4th Marine Brigade, notified American Expeditionary Force Headquarters that Belleau Wood was "now U.S. Marine Corps entirely." After 20 days of combat, and at a cost of over 4,000 casualties, the 4th Brigade of Marines had proven its fighting heart. The grateful Commander of the French Sixth Army would soon decree that in all official correspondence, Belleau Wood would henceforth bear the name, "Bois de la Brigade de Marine."
***12 June 1961:*** President John F. Kennedy signed a Presidential Proclamation calling for the American flag to be flown at the Marine Corps War Memorial in Arlington, Virginia, "at all times during the day and night." Discussions between the Attorney General's office and Marine Corps officials earlier in 1961 on improving the visibility and appearance of the monument led to the proposal to fly the Flag continuously, which by law could only be done by Congressional legislation or by Presidential proclamation.
Enough about us, let's talk about you and upcoming reNEWals. We are another month closer to the transition to yearly renewals occurring fiscally in the month of September. As a reminder to those of you that have not renewed or have renewal anniversary of 05-May, 06-Jun, 07-July, 08-August, there is still the renew membership due and then there will be the additional renewal in September. The benefit of this action will be getting everybody on the same annual renewal date and the confusion of when we need to renew will be simplified. There is another option to consider and that is of becoming a LIFE MEMBER. This eliminates any renewal confusion and as is the Corps likes to say, keep is simple stupid (KISS) would apply here.
Any questions in regards to your membership status, can be addressed by contacting me at my email, det733jrvice@gmail.com, and I will respond with my latest information or we can work out the SNAFU's that may have occurred.
We have fought in every climb and place, and together we have served with honor, courage, and commitment to one another, to the Corps, and to our Nation.

# Marine Arrogance from Leatherneck.com

I like this one because the Sgt. was able to put into words what most of us Marines feel about our Corps and the men/women that we proudly served with. We are not Arrogant, but it's just like Walter Brennen used to say in one of his TV shows where he was a gun fighter "NO BRAG, JUST FACT". Marines have a right to be proud of their service and it shows in their greetings when they meet another Marine, whether they know them or not.

SEMPER FI., Thanks, Chuck

***Marine Arrogance***

A Marine Sergeant wrote this in response to an army guy who posted a comment on a Marine Corps site that he was sick and tired of "Marine Arrogance."

The Sergeant said...

"I think that's what makes Marines special, if only in our own minds, is that elusive Quality of Esprit de Corps. It's the fact that we, as individual Marines, don't feel that we are individual Marines. When we wear our uniform, when we hear our Hymn, when we go into battle, we are going with every other Marine who ever wore the uniform.

Standing behind us are the Marines who fought during the birth of our nation. We're standing with the Marines who fought in WWI and gave birth to the legend of the "Teuful Hunden," or "Devil Dogs." We are standing with the Marines who took Iwo and Tarawa and countless other blood soaked islands throughout the Pacific.

We are standing with the "Frozen Chosin" and our beloved Chesty Puller. We are standing with the Marines who battled at Hue City and Khe Sanh and the muddy rice paddies of South East Asia. We are standing with the Marines who fought in Desert Storm and Iraqi Freedom and now are fighting in Afghanistan.

Like real brothers, their blood courses through our veins, and when we go into battle, we would rather lay down our lives than be a disappointment to them. We carry on our backs their legacy, their deaths, and their honor. We carry that for the rest of our lives.

The Marine Corps uniform doesn't come off when our active duty is over. We wear it daily in our attitude and our love of Corps and country. We wear it on our tattoos and our bumper stickers. We wear it on our hearts.

It's why, no matter where we are in the world, on November 10th, every Marine celebrates the Marine Corps birthday. It's why we'll never be an army of 1. It's why we never stop being Marines. It's why, for most of us, being a Marine isn't something we were. It's something we are.

It's the most important part of who and what we are. Some say we're arrogant. We say we're proud. We have a right to be proud. We are the United States Marines, the most feared and ferocious group of warriors to walk the face of this earth.

When America's enemies formulate their battle plans, they plan on going around Marine units because they know Damn well that they can't go through them. We are what other branches wish they were.

We are the modern day Spartans. This isn't bragging. It's written in the battle history of our country. When there's a parade and the Marines march by, everyone pays a little more attention. Some say, "arrogance." We call it "pride." It's why, in a crowd of servicemen, you can always spot the Marine. Why are Marines special? I don't know. We just are.

Saepius Exertus, Semper Fidelis, Frater Infinitas, Often Tested, Always Faithful, Brothers Forever.
